

INTERNATIONAL SKATING ACADEMY

+2000 Students **12 - 24 Years** **37 Nationalities**

INTERNATIONAL SKATING ACADEMY is the pioneering international academy in the world in sports training, where we facilitate access and opportunities for student-athletes with an innovative educational and sports project on campus.

With our programme, young people will be under the tutelage of tutors and specialised teachers with extensive experience in education, they will also be coached by international level coaches, and supported by top level clubs. These factors will prepare the Rink Hockey and Artistic Skating to compete at the highest level in the world.

ISA is located in **Camp Joliu**, considered one of the best residential and educational complexes in the country, and only 30 minutes from the city of **Barcelona**.
